

THE MODERN SCHOOL, ECNCR DELHI
SESSION 2018-19
HOLIDAYS HOMEWORK

As the much awaited summer vacations approach and you get the time to spend it with your parents, we wish that they are productive and enjoyable.

There are a few points to remember during holidays:-

- a. Play simple games like scrabble, chess word building, brainvita etc. at home
- b. Assign yourself a permanent workplace and a work time so as to bring discipline in your life
- c. Practice good manners. Respect your elders and love the ones who are younger.
- d. Use the four magic words - Thank you, Excuse me, Sorry and Please as and when required and see the magic!
- e. Keep your room clean. Always keep your toys, books, colours, clothes, shoes etc. properly at their proper place
- f. Speak in English. Discuss things and issues with your family and friends in English
- g. Read books in English and Hindi language. Visit a nearby book store or library and select books according to your age and interest. Read them well as books are your best friends!
- h. Visit atleast three neighbours and try to build a rapport with them.
- i. Go for walks with your family in the mornings and evenings.
- j. Cherish the two greatest gifts of God- Nature and Family. Spend some valuable time with them. Thank God for providing you with these gifts. Don't forget to click pictures of your most enjoyable moments with your family.
- k. Your elders take care of you, this vacation you make the efforts to take care of them. Offer help to your grandparents, parents and elders. Help your mother to keep the house clean and in laying the table, wash your own plate after every meal, help your grandparents in watering the plants etc.
- l. We know you like playing games on Computer and watching television but your body needs some exercise too. Go cycling, play badminton, cricket, kho-kho, hide and seek, swimming and other games that keep you going and active.
- m. Last but not the least:
 - i. Do not throw litter here and there. Use dustbins all the time
 - ii. Learn not to waste water, its an important resource
 - iii. Do not use air-conditioners for a long time, they increase global warming
 - iv. Do not pluck flowers from the garden

Warm Regards
