Dear Parents,

You will be happy to know that our school participated in the closing ceremony of the Rally for Rivers campaign on 2nd October at the Indira Gandhi Indoor Stadium with great enthusiasm.

Our children were acknowledged by Isha Foundation as the youngest children from any school to extend their support for this universal cause and the canvas prepared by our students was selected by Nickelodeon for display during the ceremony. I thank all the students and parents for extending their overwhelming support for the cause and request you one last time to send a missed call on **8000980009** if you haven't already done so.

Secondly, it is an honour for us when the Grand Parents of our students bless us and the students with their presence on Grand Parents Day. This year we had planned to celebrate the day on 10th October but as our students will be preparing for the grand Diwali celebrations (to be held at The Modern School, Kundli on Saturday, 14th October); we will be postponing our Grand Parents Day celebration to Saturday, 28th October. Kindly note the change in your schedules as well.

This is to inform you Thursday, 5th October will be a holiday on account of Valmiki Jayanti.

Thanking you,
Class Teacher
